

# GREGOR LERSCH

September 18th, 19th, 20th 9:30 AM – 5:00 PM

Houston School of Flowers 4340-D Directors Row Houston, TX 77092

Gregor Lersch, World Renowned Master Floral Artist, Author and Teacher inspires his students to see floral design from an artist's eye. He has traveled the world teaching and sharing the beauty of skilled floral artistry in over 32 countries. Gregor is recognized as one of the world's most important designers in the field of international floristry and has been awarded 7 High Profile Gold Medals, over 30 additional Gold Medals and 22 Silver Medals. He speaks 6 languages fluently and is the author of more than 30 floral design books. Gregor's concept of combining all styles, design trends and the personality of the artist will be very evident in this hands on 3 day European influenced floral design class. The class will be limited to only 25 students. The tuition of \$825 is based on \$275 per day but because of the intricacy and structure of this class, one day enrollments could not be offered since Gregor's teaching style could end one day with a demonstration and begin the following morning with his students completing their design. The experience of a 3 day intensive hands on design class with Gregor Lersch here in Houston is the closest possible to traveling to Germany to be in his classes.

RSVP with a deposit of \$100 which will be deducted from total tuition due by September 10th. If class is filled early, a waiting list of 5 students will be held in the event of cancellations.
